

Dear Parents and Guardians,

Boston is often called one of the most walkable cities in the country. It is also one of the most historic. On Friday, June 22, the entire 7th grade class will be going to Boston for our annual Historical Scavenger Hunt. We have been going on this field trip for a number of years and it always ranks as one of our students' favorites. We will be in groups of up to 10 students, guided by teachers, staff, and parent chaperones. Groups have a list of questions that require them to hunt for information and facts about a wide range of historical sites, memorials, and buildings. Our explorations will take us from the State House, to The Granary Burial ground, to The Holocaust Memorial, and many more in between. There are no prizes for finishing first and we encourage groups to enjoy the city and all it has to offer while hunting for their information.

The cost of the trip is **\$12.00** to cover buses.

Parents and guardians please sign the permission form and return it with payment by **Friday, June 16.**

Please pay at <https://boston770s.cheddarup.com> or through cash or check made out to OPAC.

Items to Bring

- Small backpack
- Water bottle/drink
- Good walking shoes... No Sandals!
- Lunch/snack
- Money for snacks/drinks (optional)
